Faith Lutheran Church Wedding Procedures

Scheduling:

In order to avoid scheduling conflicts, it is best we have your wedding date finalized and on the church calendar as soon as possible. Your wedding date will be finalized during (or soon after) your initial consultation with the Pastor.

Premarital Counseling:

Couples getting married at Faith Lutheran Church will be asked to commit to a minimum of three premarital counseling sessions with our Pastor. The Pastor will schedule three sessions (~90-120 minutes each) with you to prepare for your wedding ceremony. Other sessions may be scheduled if necessary.

During your first premarital counseling session, you will be asked questions from "PREPARE," a premarital counseling questionnaire and inventory designed to help engaged couples explore some common challenges in marriage.

During your second session, the Pastor will guide you in discussing the questionnaire. This discussion will set the foundation of open communication when challenges arise in your marriage.

During your third session, you and the Pastor will collaborate to plan a wedding ceremony that is uniquely yours; and discuss any further details.

Wedding Coordinator:

A Facility Coordinator is available to provide assistance and answer any questions you may have at any point during your planning process. The Facility Coordinator for the Rehearsal and be present during your wedding to oversee vendor arrival, assist in set-up, etc.

The Sanctuary can accommodate 378 people on wooden pews, has vaulted ceilings, and warm natural lighting. Our complimentary Bridal Suite is immediately adjacent to the doors to the sanctuary. Our built in sound system will make sure that your vows are heard even from the very back pew. Our Pastor will work with you to create a unique and beautiful wedding ceremony.

The Fellowship Hall is connected to the Sanctuary via two sliding barn doors, and can accommodate up to 194 people, and has a permanent counter top perfect for a buffet line.
